I have a ton of experience you won't find in other candidates. I'm a Creative Design Director & Designer with over 20 years of professional experience, having worked for Ad Agencies, Studios and many different industries in my career.

My work spans the worlds of branding, digital, web, print, package design, video editing, motion graphics and more.

I'm always looking to learn and expand my capabilities.

As a creative team leader, I lead by example. I take **EXTREME pride in my craft**, and I won't ask anyone to do something I not willing to do myself. Fostering great relationships with my team is part of why I've been so successful in those roles.

Having worked with some of the biggest brands in the country, in a variety of different creative roles, I definitely have the skill, passion and management ability to succeed for you at the highest level!

Just a few of the brands I've worked with:
